Next meeting

2010-07-29 13:30:00.0

The Executive Working Group is comprised of the executive directors from the Metropolitan Transportation Commission, Association of Bay Area Governments, Bay Area Air Quality Management District, and Bay Conservation and Development Commission, the executive directors of the nine Congestion Management Agencies, a city manager representing each of the

nine counties, and the city managers from the three largest cities in the region (San Francisco, San Jose and Oakland). The Executive Group provides input to regional agency staff on Regional Transportation Plan/Sustainable Communities Strategy work elements. Group discussion follows each staff presentation.
